Health officer: schools are COVID-safe, so far

Daniel Mintz
MAD RIVER UNION

HUMBOLDT – Several weeks into the school year, Humboldt County's health officer is reporting that there has been only a "handful" of in-school COVID-19 transmissions.

During a September 29 news conference, Health Officer Dr. Ian Hoffman updated the status of local COVID-19 spread.

Dr. Ian P. Hoffman

The county is coming down from a COVID-19 surge's peak but Hoffman said hospitalizations, which had tapered along with case counts, increased during the week preceding the news conference.

The situation is less intense than it was at its peak last month, however, and schools haven't seen the outbreaks that some feared.

In-school transmissions have been "extremely low," said Hoffman, with the "overwhelming majority" of them linked to sources outside of classrooms.

"We're not seeing huge outbreaks and we're not seeing lots of schools or classrooms shut down," he continued. "We 're not recommending that classrooms shut down even if they have a positive case – we're working closely with them to identify who those exposures were and keep kids in schools through testing and appropriate modified quarantine measures."

Hoffman added that there were many COVID-19 cases detected in schools during the first two weeks or so of classes but that was due to Labor Day and other end-of-summer activities.

The Delta variant strain of the virus drove a summertime surge that's starting to taper. It's been the most intense phase of the pandemic and Delta is still a dominant strain.

But Hoffman said it's now past its peak.

There's a caveat, however. No one knows how the virus will evolve and Hoffman noted the bump-up in hospitalizations.

He expects a "slow taper" over

Pastels 2021

CHALK GARDEN Sidewalk squares ranged from whimsical to tasty to spooky at this year's Pastels on the Plaza last weekend. Northcoast Children's Services works with local businesses and artists every year to create sponsored panels of color around the Arcata Plaza to benefit the organization. Businesses purchase squares and local artists donate their time to create a work of art. The proceeds go toward their Preschool and Family Services that extend to over 1,000 children and families in Humboldt and Del Norte Counties annually. This year, to help with social distancing, artists were split into two groups: One group worked on every other panel Saturday, with the gaps filled in Sunday. PHOTOS BY MATT FILAR | UNION

Two injured in McK'ville Central Ave. bar shooting

HUMBOLDT COUNTY SHERIFF'S OFFICE

McKINLEYVILLE – The Humboldt County Sheriff's Office is investigating a shooting that left two injured in McKinleyville. On Monday, Sept. 27 at about 9:15 p.m., deputies were dispatched to the Central Station sports bar on the 1600 block of Central Avenue for the report of a shooting.

Prior to deputies' arrival, a 49-year-old male victim was transported to a local hospital with gunshot wounds to the arm. He is expected to survive his injuries.

Deputies arrived on scene and located the reported

SHOOTING ❖ PAGE 5

Longtime family friend arrested after McK shooting

HUMBOLDT COUNTY SHERIFF'S OFFICE

McKINLEYVILLE – On Wednesday, Sept. 29 at about 1:27 a.m., Humboldt County Sheriff's deputies were dispatched to a residence on Haven Lane in McKinleyville for the report of an armed robbery and sexual assault.

At the residence, deputies located an adult female victim. The victim was transported to a local hospital for medical attention. Through their investigation, deputies learned that the suspect, 22-year-old Elijah Isaiah Eugene Killebrew of McKinleyville, and the victim had known each other for several years.

Fly aha! ('air-hotel-adventure!') to Reno-Tahoe

EXPRESSJET AIRLINES

RENO – ExpressJet Airlines announced the launch of short, nonstop flights between Eureka/Arcata and Reno-Tahoe International Airport, starting Nov. 9, 2021.

Flights will operate each Tuesday, Thursday and Sunday departing California Redwood Coast – Humboldt County Airport at 11:25 a.m. and arriving in Reno-Tahoe at 12:35 p.m. The quick one-hour and 10-minute nonstop flight eliminates the need for time consuming connections at crowded hubs or a long drive.

Nonstop flights give travelers more time for adventure and less time traveling making short, spontaneous vacations possible. Return flights will operate on the same days, departing Reno-Tahoe at 9:30 a.m. and arriving in Humboldt County at 10:40 a.m.

"We are extremely excited to welcome another new airline partner, aha!, to ACV and Humboldt County," said Cody Roggatz, aviation director for Humboldt County. "This new service will provide Humboldt County Residents nonstop airline access to all of the entertainment and adventure options exclusive to the greater Reno-Tahoe Region through their local hometown airport."

THERE THEY GO **An artist's conception of an aha! jet full of Humboldters headed for exciting and vibrant Reno-Tahoe.** SUBMITTED PHOTO

Exciting Reno-Tahoe

aha! is ExpressJet Airlines' "air-hotel-adventure" leisure brand designed for travelers to enjoy Reno-Tahoe's regional bounty — including exciting casino resorts and live entertainment, a diverse art and dining scene, and the world-class ski-golf-outdoor activities around Lake Tahoe, North America's largest alpine lake.

Thrill seekers can also take in exciting shows and annual events including Burning Man, Hot August Nights, Reno Rodeo, Lake Tahoe Shakespeare Festival, Barracuda Championship-PGA TOUR event, Great Reno Balloon Races, National Championship Air Races, Lake Tahoe Snowfest, and more.

"The Reno-Tahoe region offers travelers a wide range of fun and unique experiences," said head of ExpressJet's aha! business unit Tim Sieber. "With the time savings of nonstop flights and packages with great deals at a curated collection of the best hotels and casino resorts in the region coming soon, we're giving travelers everything they need to customize their own great, short vacation."

aha! is offering an introductory, limited-time launch fare of $49 each way*. Vacation-seekers can book at *flyaha.com*.

Coming soon, aha! will offer value-priced vacation packages on *flyaha.com* that will offer travelers great savings on short two to five-night vacation getaways.

aha! is powered by ExpressJet Airlines, which has operated reliable air services to hundreds of smaller cities in the United States for 35 years.

"ExpressJet developed aha! after hearing from travelers in smaller communities who were tired of wasting two days of each vacation traveling on airplanes and through crowded hub-airports," said ExpressJet's CEO Subodh Karnik.

To book your flight, visit *flyaha.com* or call the aha! Call Center at (775) 439-0888.

About aha!

aha! is a leisure brand of ExpressJet Airlines. aha! seeks to provide travelers in smaller communities, many who have seen air service reduced over the past decade through airline mergers, with convenient, short, nonstop flights to high-quality destinations like the Reno-Lake Tahoe region. In addition to offering value-priced, nonstop flights, aha! will soon partner with resorts, casinos and attractions to "bundle" value-priced vacation packages.

LANDINGS **aha!'s regional destinations.** SUBMITTED IMAGE

ExpressJet Airlines is the amalgamation of Atlantic Southeast Airlines and Continental Express and operates Embraer ERJ145 regional jet aircraft.

Over its 35-year history, ExpressJet has flown most Embraer, Bombardier, and ATR aircraft from bases across the continental United States into airports in the USA, Canada, Mexico, and the Caribbean. ExpressJet is majority owned by KAir Enterprises with United Airlines holding a minority interest.

Comment asked on pending Rental Inspection Program

CITY OF ARCATA

ARCATA – The City of Arcata would like to remind the community that the city is in the process of creating a Residential Rental Inspection Program to proactively address the issue of substandard long-term rental properties that create threats to the tenant's safety and the integrity of the building.

As part of the process, city staff recently introduced a Residential Rental Unit Inspection Program Ordinance (Ordinance 1552) at the City Council meeting of Wednesday, Sept. 15, and the ordinance is scheduled to be adopted at the upcoming council meeting on Wednesday, Oct. 20.

Before the ordinance is adopted, the city is encouraging residents to reach out with their comments and suggestions.

Feedback from the community is crucial when designing and implementing an equitable program that supports all members of the community and promotes the health and safety of Arcata's neighborhoods.

The ordinance can be reviewed online here. Those who will be directly affected by this program, including renters and property owners, are especially encouraged to share their input.

The Building & Engineering Department hosted a public meeting on Monday, Sept. 27 to receive additional feedback and input on the ordinance, and those who were unable to attend the public meeting are encouraged to submit comments to the Building & Engineering Department by email at *RRIP@cityofarcata.org* or by calling (707) 825-2156.

Comments should be submitted to the department by Thursday, Oct. 7 at 4:30 p.m. Public comments will also be accepted on this topic at the Arcata City Council meeting on Wednesday, Oct. 20.

Who's supposed to take care of the sidewalks? That'd be you

City of Arcata

ARCATA – The Environmental Services Department would like to remind property owners, including homeowners, business owners and landlords, that they are responsible for maintaining the sidewalks, pathways and other areas near neighboring properties with common boundaries. This includes removing refuse, rubbish and weeds from sidewalks surrounding their property.

Please do your part to ensure fellow community members have a safe place to walk free from hazards as failure to do so violates Arcata Municipal Code (Section 5481a). To assist property owners with complying with the city's Municipal Code, the Environmental Services Department has provided a list of items that are required to be removed by all Arcata property owners.

Refuse and rubbish must be removed. These terms include, but are not limited to:

- Non recyclable or recyclable waste materials of any kind.
- Dead trees and yard waste.
- Any items that may create a fire hazard.
- Abandoned construction and building materials.
- Any other unsanitary or unsafe materials.

Property owners are also responsible for removing weeds. When roots of weeds work their way through the pavement, they cause it to crack or break into pieces. When the pavement cracks, water gets under the pavement and can cause a premature failure of the street.

The term "weeds" includes, but is not limited to:

- Plants which have spreadable seeds.
- Dry grass or brush that may create a fire hazard.
- Plants which could be harmful to public health, including poison oak or poison ivy.
- Any other plants which may create a public hazard.
- Plants or weeds growing on the sidewalk or in the right-of-way between the sidewalk and the curb. If the removal responsibility is shared between property owners at the end of a cul-de-sac, the division of the responsibility is the center of the cul-de-sac.

Properly maintaining sidewalks by removing refuse, rubbish and weeds helps prevent falls or injuries to those traveling on these pathways, extends the life of city streets, keeps pollution from entering local waterways and helps keep Arcata's neighborhoods beautiful.

A new Blue and agreeable Oso are full of friendly energy

Look who we have this week – another dog named Blue! This Blue also came in with his name and since he responds to it, he gets to keep it.

Blue is such a great dog. He got to meet the new volunteers at a recent orientation and was instantly a crowd favorite. By the end of the day I had seen at least three different people taking Blue out.

Blue is an easy walker and well-behaved on the leash. He seems to be happy whatever activity is on the agenda. He fetches and returns the ball without any fuss. Blue has met quite a few of the other shelter dogs and done well with all of them, even some that can be a little choosy about their companions.

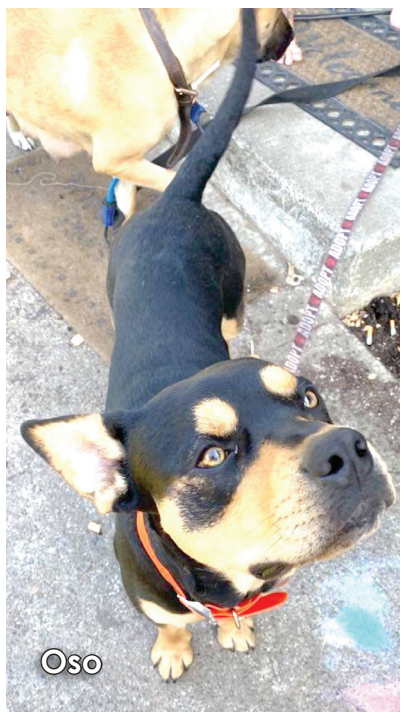

He is about six years old and may be a mix of Pit Bull and some sort of cattle dog. He is what I think of as an excellent Pit Bull ambassador! His gentle manners and dog- and people-friendliness show what great companion dogs a pitty can be. Blue has one sky blue eye, which is probably the source of his name.

And his ears! We are suckers for those ears that are both upright and floppy at the same time.

This cute boy is already neutered, micro-chipped and current on his vaccinations and may be a candidate for a home with cats. Blue is available through the Humboldt County Animal Shelter. They are open Monday through Friday for meet and greets.

Please call (707) 840-9132 to make an appointment or for more information.

Redwood Pals has a happy guy up for adoption also. Oso came

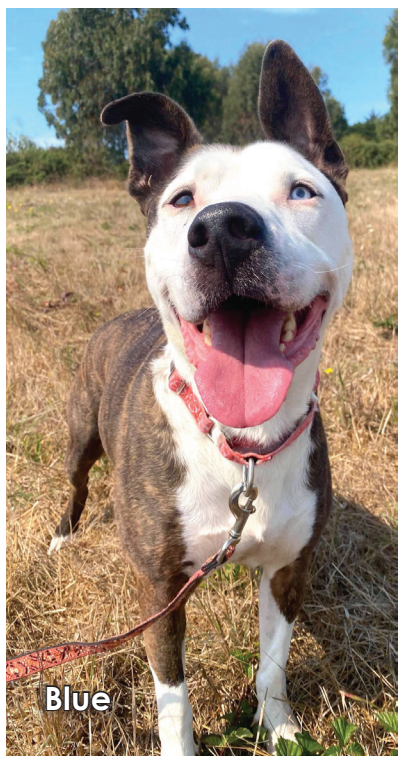

to us from a less than ideal living situation. He is loving being in a foster home where he has a yard and playmates and gets to go on outings!

His foster says: "Oso is a beautiful one-year old puppy who appears to have the head of a French bulldog, the body of a pit bull, and the coloring of a Rottweiler. With his striking golden eyes he is truly unique! He weighs about 45 pounds and has lots of energy and love to give.

He loves to run on the trails and will stay close by, with good recall. In fact, he'll stay close by you at home as well, following you around the house and sleeping next to you in bed. He gets along well with other dogs and is fine with the resident two females and a male. He loves people and getting pets and belly rubs.

Oso is a sweet dog and a great companion." Oso is still a teenager and has lots of puppy energy. He is an eager student and responds well to training and instruction. Redwood Pals offers training support with our adoptions to ensure our dogs get off to a great start with their new owners.

Oso is neutered and current on his vaccinations. Redwood Pals

can microchip him at the time of adoption. To meet this happy boy, please email *redwoodpalsrescue@gmail.com* or leave a voicemail at (707) 633-8842.

Girl Scouts want more Troops in Arcata, McK, Trinidad, BL, Hoopa, Willow Creek

GIRL SCOUTS

HUMBOLDT – Local Girl Scouts and their classmates gathered at Pierson Park in McKinleyville on Saturday, Sept. 25 for a Bring-a-Friend Discover Girl Scout event.

The event was about giving girls and parents a chance to experience some of the fun activities involved in this nation-wide leadership program for girls and young women. Girls were welcomed with a chance to try some home science chemistry activities, fingerprint analysis for the detective badge, see outdoor equipment used for archery, rafting, and camping, as well as do projects for the Bug Badge and Gardening Badge.

High School Senior and Ambassador Girl Scouts helped to facilitate the varied activities and games.

BRING-A-FRIEND Artists at work. SUBMITTED PHOTO

PIERSON PARK Fun and games. SUBMITTED PHOTO

Following Girl Scouts of Northern California council guidelines, local Girl Scout troops are starting to meet in person, mostly outdoors and still masked and socially distanced.

The Redwood Service Unit which serves Arcata, McKinleyville, Trinidad, Blue Lake, Willow Creek and Hoopa is hoping that there are some more adults who might like to start troops so that more girls can be served.

"We always have girls who want to join troops, but we need more adults willing to become Troop leaders in order to serve them," says Jeannette Upton, a Daisy and Brownie Troop leader in McKinleyville. She adds, "COVID-19 gave us some challenges, but Girl Scouts are always adaptable and willing to try new things."

"Girl Scouts is a leadership program and as Girl Scouts grow, they gain life skills, confidence, and leadership opportunities. We do a lot more than just sell cookies," explains Steph Metteauer, membership director in the Eureka Program Center who was available to answer questions and hand out craft kits and GS bracelets.

Girls can join Girl Scouts once they are in kindergarten and can remain through their high school graduation. "We have an exceptionally strong program for older girls in our Service Unit and these older girls remain to be role models and help younger girls at events like archery clinics, cookie rallies, International Festivals, Spa Nights, woodworking, leather crafts and STEM programs." says Derek Kingham, Troop leader for 22 highs school age girls.

Older girls are also an important asset for running the local residential camp. For information about becoming a Girl Scout or Girl Scout Volunteer, call (707) 443-6641, ext. 3006 or 839-3714.

This year's Walk to End Alzheimer's takes place in multiple Humboldt locations

Use the phone app to connect and participate

ALZHEIMER'S ASSOCIATION HUMBOLDT COUNTY

HUMBOLDT – The Alzheimer's Association Humboldt County Walk to End Alzheimer's is shifting to walk from home on Saturday, Oct. 9. Walk to End Alzheimer's will continue, but instead of hosting a large gathering, teams are asked to walk their favorite paths and visit one of the County's 11 Alzheimer's Promise Gardens sponsored by Katy's Smokehouse:

- *Arcata* – Plaza
- *Blue Lake* – near City Hall
- *Eureka* – Courthouse
- *Eureka* – Visiting Angels, 1112 Fifth St.
- *Ferndale* – corner of Herbert Street. and Main Street
- *Fortuna* – corner of South Fortuna Boulevard and Kenmar Road
- *Hydesville* – Post Office
- *McKinleyville* – Coast Central Credit Union
- *Rio Dell* - corner of Wildwoods Ave and Side St.
- *Scotia* - Post Office
- *Trinidad* – Katy's Smokehouse, 740 Edwards St.

"To ensure the safety of our Walk participants, volunteers and staff, we are encouraging all Humboldt residents to participate in this year's Walk to End Alzheimer's by walking from home in their community," said Bonnie Neely, Humboldt County Walk co-chair. "While the recent Delta variant surge is impacting the way we walk, it doesn't change the reason we walk. More than ever, with the dollars raised, the Alzheimer's Association can continue to provide care and support to families during these difficult times while also advancing critical research toward methods of treatment and prevention."

To enhance the walk from home experience, the updated Walk to End Alzheimer's mobile app creates an opportunity for the community to connect. On Walk day, through the app, participants will be able to track their Walk From Home on a route map including an augmented reality start and finish line.

Additionally, participants can watch a prerecorded Opening and Promise Garden Ceremony, and access an augmented reality Promise Garden where they can select and personalize a flower representing their connection to the disease and plant it among others.

The mobile app can also be used to track participant's fundraising progress, deposit check donations and message team members and donors via text message, email, WhatsApp and Snapchat.

To register, visit *act.alz.org/humboldt2021*. If you would like to donate to this year's Walk, you can go to the website or mail a check to the Alzheimer's Association, P.O. Box 2542, McKinleyville, CA 95519.

The Walk is developed and planned by a committee of volunteers who work year-round in the areas of advocacy, mission, marketing, team retention, team recruitment, sponsorship and logistics. If you are interested in joining the committee, email *kcoelho@alz.org*.

The National Presenting Sponsors are Edward Jones and CVS Health Aetna;

- *Platinum Sponsors:* Providence St. Joseph Hospital and Providence Redwood Memorial Hospital, Pierson Building Center, Morgan Stanley – Kirk Conzelmann, James Maher, Keenan Pool, and Jason Barr – Financial Advisors, and Aqua Dam;
- *Promise Garden Exclusive Sponsor:* Katy's Smokehouse;
- *Media Partners:* Redheaded Blackbelt, Eureka Broadcasting, Redwood News, and College of the Redwoods Foundation;
- *Gold Sponsor:* Visiting Angels;
- *Silver Sponsors:* Coast Central Credit Union, George Petersen Insurance, Redwood Capital Bank, Times Printing Company, and Soroptimist International of Humboldt Bay;
- *Exclusive Champion Sponsor:* Bear River Casino Resort;
- *Bronze Sponsors:* In Memory of Herb & Edythe Neely, Maffia Family Fund, Humboldt Moving & Storage, and Elks Lodge #652;
- *Tribute Sponsors:* North Coast Community Blood Bank, North Coast Rental, and Bob's Fine Cars;
- *In kind sponsors:* Mad River Gardens, Eel River Hay – Fernbridge, Gnome Craft Boutique – Fortuna, Starbucks – Fortuna, Fortuna Fabrics – Fortuna, Las Cazuelas Restaurant and Cantina – Fortuna, CVS, Chipotle – Eureka, and Fern Valley Goat Milk Soap – Ferndale.

According to Kelly Sanders, Humboldt County Walk co-chair, helping locally will have a global impact. "With one in three seniors being diagnosed with a dementia related illness, this is a disease that is going to impact everyone. Raising funds will help us identify, slow down, and ultimately prevent this devastating disease."

According to the Alzheimer's Association, more than 3,000 people in Humboldt and Del Norte counties suffer from the fatal disease, a number projected to rise to more than 5,000 in the next decade.

More than 5.8 million Americans are living with Alzheimer's disease, the third-leading cause of death in California. and the only disease among the top 10 causes that cannot be cured, prevented or even slowed.

Additionally, more than 15 million family and friends provide care to people with Alzheimer's and other dementias in the U.S. In California alone, there are more than 630,000 people living with the disease and 1,600,000 caregivers.

Families that are battling this disease can contact the Humboldt Senior Resource Center Alzheimer's Resource Center, Redwood Caregiver Resource Center, Area 1 Agency on Aging, Adult Day Health Care of Mad River, and the Alzheimer's Association for support.

The Alzheimer's Association provides a free nationwide 24/7 Helpline (800.272.3900) that receives more than 310,000 calls annually and is staffed by specialists and master's-level clinicians who provide support, offer information and suggest referrals.

According to Kim Coelho, Alzheimer's Association community engagement manager, many of these calls come in around 2 a.m., when family members feel the most alone and discouraged. "They are so relived to find out that others are going through similar situations and that there is help available."

PUBLIC NOTICE

ARCATA ELEMENTARY SCHOOL DISTRICT

ACCEPTING APPLICATIONS FOR CITIZENS' OVERSIGHT COMMITTEE

The Arcata Elementary School District is accepting applications from interested individuals to serve on the Citizens' Oversight Committee to oversee expenditures of bond and parcel tax funds. The Committee consists of seven members who meet at least one time per year to review and report on expenditures of funds to ensure money is used only for voter-approved purposes. Maintaining a committee to review expenditures is required by law and was promised to District voters as part of the measures. Some Committee members may live outside District boundaries.

If you wish to serve on this important committee, please complete the application which can be found on the District's website at *arcataschooldistrict.org* (Family/Community - Forms) or mailed/faxed to you by calling the District Office at (707) 822-0351, ext. 8. Please email your completed application to District Superintendent Luke Biesecker at lbiesecker@arcatasd.org or mail to Arcata Elementary School District, 1435 Buttermilk Lane, Arcata CA 95521.

Applications are due by Friday, October 22, 2021 at the office of the Superintendent.

If you have any questions about the Committee, please contact Superintendent Luke Biesecker at (707) 822-0351, ext. 8 or lbiesecker@arcatasd.org for more information.

Newly formed COAD partnership to aid OES with disaster prep, response

Humboldt COAD

HUMBOLDT – The Humboldt Community Organizations Active in Disaster (COAD) is a partnership of nonprofit and faith-based organizations, tribes, government agencies, and businesses building partnerships to prepare for future disasters, including emergency preparedness, response and recovery.

The COAD is working in partnership with the Humboldt County Office of Emergency Services (OES) to support and expand their work in times of disaster.

"The Humboldt Office of Emergency Services fully supports the Launch of the COAD because it will engage our community in the important work of people helping each other in times of disaster," said Ryan Derby, emergency services manager, "It is tremendously helpful to everyone when community organizations coordinate around preparedness for disasters because it's planning ahead that helps us help each other when unfortunate things happen."

Humboldt COAD Launch Coordinator Alison Sterling Nichols added that the community is enthusiastic for this project, "I'm hearing so much support and engagement with individuals and organizations who want to be involved in community preparedness," Sterling Nichols said, "I'm not sure if it's been COVID or the recent fires in neighboring counties, but people are talking about disaster preparedness more than ever and the COAD is going to provide an incredibly useful hub for community coordination in times of disaster. The time is now to prepare for the many potential scenarios that we face, whether it's an earthquake, fires, flooding, or even an ongoing pandemic. We are here for each other and this is an incredibly effective way to act on that."

Humboldt COAD Mission Statement

The Humboldt Community Organizations Active in Disaster (COAD) develops and enhances partnerships for communication, coordination and collaboration within our whole community, including businesses, tribes, non-profit and faith-based organizations, and government agencies before and throughout a disaster, including prevention, mitigation, protection, preparedness, response and recovery.

FALK TO PHILLIPS The fireplace mantel from Arcata's long-demolished Falk Mansion, below, was installed in the Phillips House Museum last week. The mansion site is presently occupied by Wildberries Marketplace. Right, brother and sister Jay and Barbara Vanoncin Fields, their cousin Gary Costa and family friend David Armstrong. Salvaged by their father from the doomed mansion in 1956, the mantel resided at sister Pauline Blanks' home in Anderson for years. Now ill, Pauline wanted the mantel returned to Arcata. "That's her dying wish, and it's home," Barbara said. *arcatahistory.org*

New chargers, Futsal Court get ribboning

DUAL SNIPPAGE Two ribbon cuttings took place last Friday, Oct. 1 on different sides of the Community Center. First up were the four new electric vehicle chargers. Participants were Redwood Coast Energy Authority transportation specialist Lee Valenzuela, RCEA Director of Infrastructure Planning and Operations Dana Boudreau, Mayor Brett Watson, Arcata Energy Committeemember George Williamson and City Councilmembers Meredith Matthews and Stacy Atkins-Salazar. Next, the City of Arcata celebrated the grand opening of a new Futsal Court, located in the soccer field out back of the Community Center. Backlit and heavily Photoshop-treated dignitaries attending were Arcata City Councilmember Stacy Atkins-Salazar, Stan Shaffer of the City of Arcata, Mad River Youth Soccer League Boardmember Paul Swenson, Arcata Mayor Brett Watson and local youth soccer coach Pete Shepard. Photos by Matt Filar | Union

Help the Blood Bank celebrate 70 years of service

Northern California Community Blood Bank

EUREKA – The Northern California Community Blood Bank is celebrating a significant milestone of 70 years of serving Humboldt and Del Norte counties with a safe blood supply since 1951.

To celebrate this milestone, we invite our community to join us on Wednesday, Oct. 6 from 8 a.m.to 7 p.m. at our Blood Center located at 2524 Harrison Ave., next to St. Joseph Hospital. The first 10 donors on Oct. 6 will receive a special gift!

The Northern California Community Blood Bank (NCCBB) was established in 1951 to provide a safe and adequate supply of blood to the patients we serve. In our 70-year history, we have grown into a blood center that provides blood products and services efficiently to our local community and beyond. We are located in Eureka, and have three bloodmobiles that travel throughout Humboldt and Del Norte counties.

In 2019 we collected over 10,000 donations, which were used to produce more than 12,500 blood products for transfusion to patients. NCCBB provides 50 local jobs and offers thousands of individuals the opportunity to make meaningful, lifesaving contributions to their community.

COVID | Each wave infecting younger and younger people

❖ FROM PAGE 1

the next weeks or months, with some "bouncing around."

The intensity of the August peak is unlikely to return, Hoffman continued – unless another variant emerges, vaccination stalls and/or "policy changes" that increase risk are made.

All three of those factors coincided during late spring and summer, as Delta ascended and a statewide "reopening" encouraged a return of social life.

Vaccination plateaued and its 50 percent-ish population protection was countered by the Delta strain's shockingly effective ability to spread.

Hoffman noted another disturbing trend. In the early stages of the pandemic, younger age groups were much less likely to get seriously ill or die.

But "with each successive wave," younger people are increasingly becoming sicker and the age threshold for deaths is lower.

When the Alpha variant peaked in April and May, people in their 50s were more seriously affected and accounted for more deaths than previously seen.

"Now, we're seeing that happening to even younger people – we're seeing people in their 40s and 50s dying and many people in their 20s and 30s getting hospitalized," Hoffman said.

He added that hospitalizations and deaths among fully vaccinated people have "entirely been in an older age group with people who have underlying medical conditions."

Vaccine protection has a time limit though.

The week before the news conference, booster shots for the Pfizer vaccine got federal approval.

Hoffman reported that people 65 years old and up who got their second shots six months ago are recommended to "go get a booster now."

The same applies to people ages 18 and up who have medical conditions and people who work in "high risk settings."

Another niche group is people who have compromised immune systems and Hoffman said they should get booster shots as soon as 28 days after their second shots.

Data on the necessity of boosters for the Moderna and Johnson & Johnson vaccines will be developed "in the coming weeks or months," Hoffman said.

Also in the works is approval of Pfizer vaccination for children ages five to 11.

During September, the county confirmed 1,444 COVID-19 cases. The month saw 59 hospitalizations and there were 23 deaths.

In August, there were 2001 confirmed COVID-19 cases, 98 hospitalizations and 22 deaths.

About 56 percent of the county's population was fully vaccinated as of the end of last week.

Shooting | Suspect injured

❖ FROM PAGE 1

suspect, a 54-year-old male, who had serious injuries to his face. The male was transported to an out-of-area hospital in critical condition.

Through further investigation, deputies learned that the suspect approached the victim inside the bar and began shooting at the victim. Bystanders inside the bar subdued the suspect, detaining him until peace officers' arrival. At some point during this incident, the suspect also received serious injuries.

No other patrons of the bar were injured as a result of this incident. The relationship between the suspect and victim is unknown and currently under investigation at this time.

Due to the pending investigation and serious nature of his injuries, the suspect has not been arrested at this time and his identity is being withheld.

The Humboldt County Sheriff's Office Major Crimes Division is investigating this incident.

Anyone with information is asked to call the Humboldt County Sheriff's Office at (707) 445-7251 or the Sheriff's Office Crime Tip line at (707) 268-2539.

Rape/Robbery | Booked

❖ FROM PAGE 1

On the evening of the assault, Killebrew arrived at the residence uninvited and asked to use the victim's restroom. Once inside the residence, Killebrew reportedly withdrew a firearm, threatened to kill the victim and sexually assaulted her. Killebrew then stole a large amount of cash from the victim prior to fleeing the residence in a vehicle.

Deputies on patrol in the area of U.S. Highway 101 and School Road located Killebrew's vehicle traveling on Highway 101. Deputies conducted a felony traffic stop on the vehicle and took Killebrew into custody without incident. During a search of the vehicle, deputies located a loaded, unregistered firearm.

Killebrew was arrested and booked into the Humboldt County Correctional Facility on charges of rape, robbery, false imprisonment, sexual assault, kidnapping, assault with a firearm on a person, exhibiting a firearm, criminal threats, carrying a loaded firearm in a public place, possession of an undetectable firearm and driving on a suspended license.

This case is still under investigation.

Trick or Eat, get veggified with Food for People

Food for People

HUMBOLDT – This October, spook your friends by getting them "veggified." Food for People, the Food Bank for Humboldt County, will cover your friend's yard in spooky veggie monsters for a small or large donation of $25 to $250 or more.

Just imagine the look on your friend's faces when they wake up to Franken-carrot, Count Brocc-ula, Mummy Pear, and more. These freaky veggie lawn monsters will stay on your friend's lawn for 24 to 48 hours.

Decorations will be limited to the central Humboldt Bay area (Trinidad to Rio Dell). This is the perfect COVID-conscious way of connecting with friends and family while supporting a cause that works to end hunger and improve the health and wellbeing of our Humboldt community. Sign up at *foodforpeople.org*.

Once your friends get veggified, we encourage them to pass on Count Brocc-ula to spook their friends, family members, or favorite local business and to post an image to their social media with the hashtag #trickoreatffp.

Trick or Eat Your Veggies: Kids Coloring Competition!

Folks will also have access to our limited edition Trick or Eat Your Veggies coloring page. These can be downloaded on our website *foodforpeople.org*, and will be left on veggified doorsteps. Get your kiddos to color this page and post an image on social media with the hashtag *#trickoreatffp* or email the image to *akolb@foodforpeople.org* by Monday, Oct. 25.

Please specify the age of the artist in your post or email. This contest has three age rangers: 7 years old and under, 8 to 12 years old, and 13 to 18 years old. There will be one prize winner for each group. Fun prizes will be generously donated by Wildberries Marketplace.

Helping rebuild Food for People

All of the donations will go to support Rebuilding Food for People. On Feb. 28, 2020, Food for People experienced a city sewer inundation that caused widespread damage to their flagship building. The organization was forced to move their operations to rented properties spread across the county.

Food for People then began the process of rebuilding a new and improved food bank facility. We promise our 14th street location will not come back as a zombie that will eat your BRAINS but will ensure every person in Humboldt County in need can access nutritious food and children, seniors, and families can connect with services that address the root causes of hunger and poverty.

Fighting Hunger, Building Hope – Launching a Campaign for Support

In order to realize their goal Food for People is undertaking a capital campaign to raise $6 million. Thanks to the incredible support of lead donors including the Smullin, Perenin, and Humboldt Area Foundations; St. Joseph Health; Redwood Capital Bank; and many more community partners and individuals they have already raised 90 percent of the funds needed. You can support this effort by donating at foodforpeople.org.

"Good nutrition is fundamental to good health. From prevention of chronic disease to recovery from a hospitalization, the food we eat plays a key role in our health. And that is why we are so lucky to have Food for People in our community. They make sure everyone in our community has access to high-quality, nutritious food," said Martha Shanahan, director of community benefits for St. Joseph Health.

Fall Makers Fair in Bayside this weekend

BAYSIDE COMMUNITY HALL

BAYSIDE – Bayside Community Hall and Jacoby Creek Land Trust are collaborating to offer the second Bayside Fall Makers Fair on the weekend of October 9 and 10.

This year's fair will feature 80 Humboldt County artists and craftspeople. "Just about any art or handcraft that you can imagine is represented," says Fair co-coordinator Carolyn Jones. "In addition to fine art and illustration, there will be ceramics, glass, metalwork, leather, fiber arts. Consumables are well represented, with jams, garlic, and herbal products from tinctures and smudges to wreaths and bath salts. And many artists are using recycled and upcycled materials in innovative ways."

This outdoor multi-site fair was conceived last year during the height of the Covid pandemic. With lots of space and fresh air, Bayside provides Humboldt county artists a COVID-safe opportunity to show their work at a time when many fairs have been cancelled. It is also a great way to spend a day outdoors in beautiful Bayside, and to get a jump on holiday shopping.

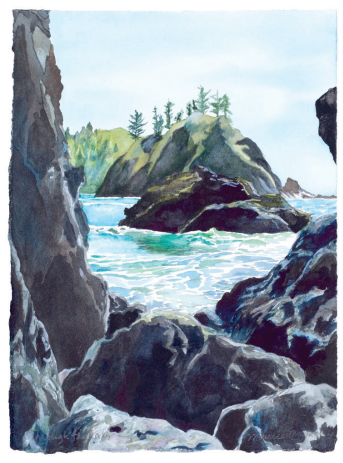

LASTING BEAUTY An Ephemeral Creation. SUBMITTED PHOTOS

Two locations will be used for this year's fair. At Jacoby Creek Land Trust Kokte Ranch, 2182 Old Arcata Road, visitors will park in a field close to the road, and then walk through the property. Artists will be located in and around the old Freitas Dairy barn and then further along in a large mowed field. JCLT Executive Director and Fair Co-Coordinator Stephanie Mietz is excited to again host the event at the Kokte Ranch. "This is a great opportunity for the community to visit the Land Trust property. There are amazing views of the valley from the fair field. Visitors can check out Caudal Fin CSA Farm and take a path along Jacoby Creek." Disabled parking will also be available close to the booths in the main field.

The second site will be Redwood Roots Farm, next to the Humboldt Unitarian Universalist Fellowship (HUUF), about 3/4 mile down Jacoby Creek Road, where farmer Janet Czarnecki welcomes artists to set up their booths on the paths among the flower and vegetable beds. The farm is lovely this time of year and, weather permitting, will have fresh flower bouquets available. Another trail takes visitors to a different stretch of Jacoby Creek. Parking is at the HUUF lot and it is a short walk down a gravel drive to the farm. Limited disabled parking is available near the entrance.

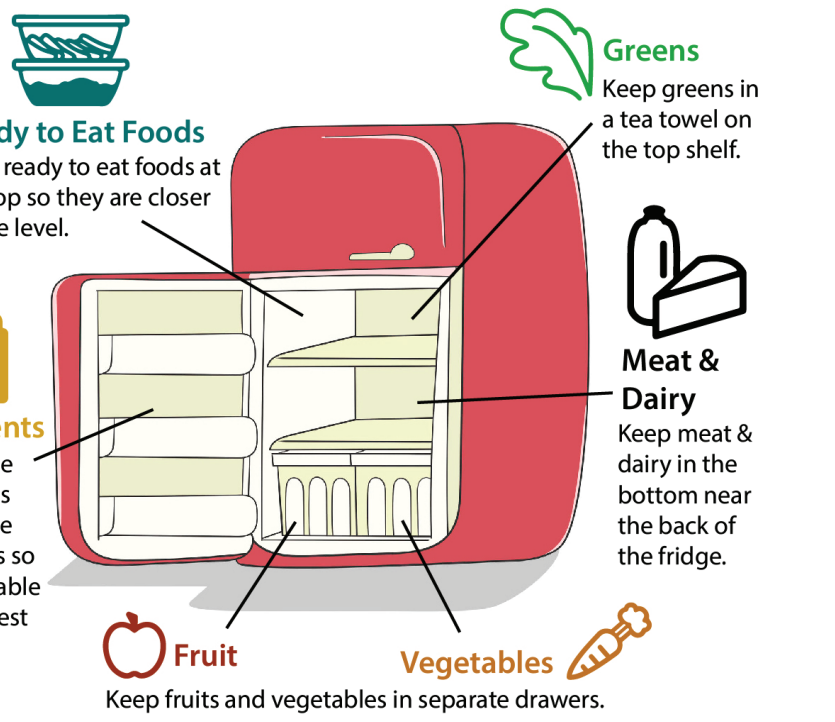

The fair is outdoors, for improved COVID safety, however, masks are required for all vendors and guests as an extra precaution.

Fair hours are Saturday 11 a.m. to 5 p.m. and Sunday 10 a.m. to 4 p.m.. More information, including a list of vendors, is available at *baysidecommunityhall.org*.

City of Arcata

SHAY PARK – The City of Arcata is excited to announce that the new mural painted on the Shay Park basketball court is complete.

The finished mural can be viewed at Shay Park, located at the corner of Alliance Road and Foster Avenue. This project was made possible thanks to the vision of Benjamin Funke, local artist and founder of REBOUND. REBOUND artists and collaborators aim to transform basketball courts into colorful works of public art, bringing together the worlds of sports and art by painting large-format murals on the court surface to inspire people of all ages.

On the completion of this project, Arcata Recreation Supervisor Heather Schmidt said, "It's been a pleasure to work with Benjamin and the REBOUND team. We appreciate that the project brought together local artists and HSU students. We hope that the community enjoys this vibrant splash of color and the new dynamic REBOUND'S mural brings to Shay Park, and we look forward to completing the second phase of Shay Park renovations in the near future."

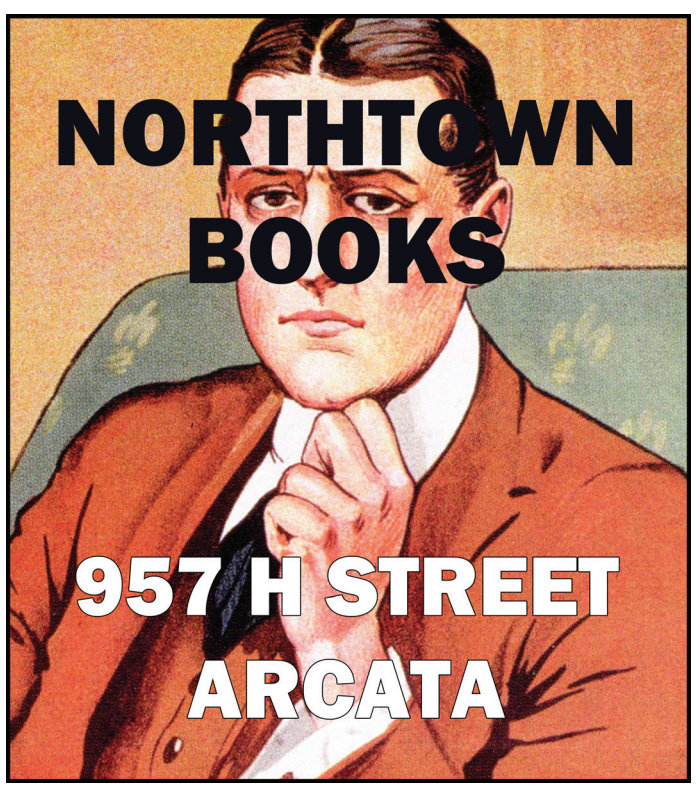

The City of Arcata thanks Benjamin Funke and all collaborators on this project including Libby Maynard, the Ink People Center for the Arts, Trent Franks, Lindsay Kessner and the entire REBOUND team. For more information on this project, please visit *r-e-b-o-u-n-d.net* or contact the Arcata Recreation Division at (707) 822-7091.

REBOUND is a community-based arts and culture organization. We utilize good design and initiate projects with the goal of enhancing community life.

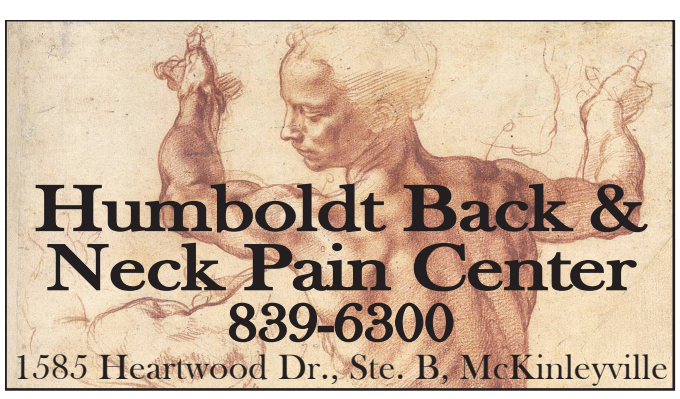

REBOUND is a DreamMaker project of the Ink People Center for the Arts.

SILENCE ≠ CONSENT Mack High students take to the streets to raise awareness about sexual assault. PHOTO BY ANGELA SHUMARD, MCKINLEYVILLE HIGH SENIOR

MHS students query Wood, peacefully protest assault

PANTHER REPORT
Allison McCray

These past two weeks, the students that attend McKinleyville High School have amplified their voices. Last week we had a group of students talk to Assemblymember Jim Wood virtually about issues in California.

Through this experience, they were able to ask Wood about any questions they had including issues surrounding the wildfires that have caused extensive damage around the state, COVID-19, and even school-related topics. Many of the students found that Wood answered their questions in a professional manner.

To add, students had a walkout promoting sexual assault awareness. After allegations of a sexual assault matter at a local school, McKinleyville High School students gathered in front of the high school at 8:45 a.m. on Monday morning to protest.

They wore all white and made signs about the protest. The protesters stood in the rain for a total of four class periods which included walking along McKinleyville's Central Avenue to the corner across from McKinleyville Middle School.

During this time they also walked through the hallways of the high school with the signs chanting, "No means No."

The protesting students also wrote and delivered speeches, some in front of the school and some on the quad at nutrition break (a 15-minute break in between first and second period).

Everyone was well behaved and peacefully protested while wearing masks and showing their support. When they were standing on the sidewalk, they even had people drive by and honk in support.

Teen Court soldiers on for social justice

COURT AND SPARK Last year's Teen Court Leaders group: Jacqueline, Abram, Ireland, Alex, Aide, Cat and Delaney. SUBMITTED PHOTO

BOYS & GIRLS CLUB OF THE REDWOODS

HUMBOLDT – Considering that the pandemic has overshadowed everything, the Boys & Girls Club of the Redwoods Teen Court has been doing a fantastic job of achieving its goals and staying true to its mission by pivoting to virtual services last school year.

Teen Court has maintained a robust group of 35 youth volunteer members, in addition to 9 dedicated Teen Court Leaders. We were able to fulfill our goals and objectives of providing youth members with advanced trainings, opportunities for peer-to-peer support, and many other pro-social engagement activities.

One of our greatest achievements was being awarded winner of *NC Journal's* Best of Humboldt 2021 in the category of Best Social Justice Organization. These accomplishments are the direct results of the admirable work of the teens in our program.

This school year we are offering some services in-person, while mostly remaining virtual. As the COVID-19 pandemic progresses, we are closely monitoring for opportunities to regain in-person activities.

Humboldt County Teen Court (a program of the Boys & Girls Club) is hosting a training for new teen volunteers in grades 8 through 12 on Thursday, Oct. 19 from 4:30 to 6:30 p.m., held virtually.

Teen Court is a diversion program for first time offenses. It is based on restorative justice, community building, peer-led support, and healing. There is also opportunity to volunteer to help youth struggling with school engagement through peer support groups, called Attendance Councils.

Volunteers earn community service hours, help make a difference in another teen's life, and learn valuable life skills.

In addition to our Teen Court hearings, we also host Attendance Councils. Attendance Council is a peer support group that is youth & adult facilitated but peer led. As an adult volunteer, you would be part of a support group helping teens with school engagement and absenteeism.

Attendance Council sessions are scheduled weekly on Wednesdays, from 4 to 5:30 p.m. You can volunteer for the minimum of four consecutive weeks; or you may wish to work with our young people multiple times per year. The choice is up to you. If you are only able to participate a single Wednesday at a time several times over the school year, that is welcome and helpful as well.

For more information contact (707) 444-0153 or *hcteencourt@bgcredwoods.org*. *hcteencourt.org*

Serve on the Humboldt County Civil Grand Jury

HUMBOLDT SUPERIOR COURT

HUMBOLDT – The Superior Court of California, County of Humboldt is seeking applicants for the 2021/22 Humboldt County Civil Grand Jury.

The Humboldt Superior Court impanels 19 citizens annually to act as an independent body of the judicial system. The Humboldt County civil grand jury is seeking more applicants for calendar year 2021/22 – the current term ends June 30, 2022.

The Civil Grand Jury is currently conducting online Zoom meetings and meets on Tuesdays and Wednesdays of each week in the morning.

The Court also encourages interested persons to apply and be considered to serve as alternates, if and when vacancies occur during the term of service.

The Court encourages applications from citizens representing a broad cross-section of the Humboldt County community.

The primary work of the civil grand jury is to investigate and review citizen complaints concerning the operations of city and county government as well as other tax supported and non-profit agencies and districts.

Based on these reviews, the grand jury publishes its findings and may recommend constructive action to improve the quality and effectiveness of local government. It does NOT consider criminal indictments.

For more information and the application process, please visit *humboldt.courts.ca.gov*, or contact Administration at (707) 269-1245. You may also complete, download, and email an application to: *GrandJuryApps@humboldtcourt.ca.gov*.

Drug Task Force goes on Hoopa shopping spree

HUMBOLDT COUNTY DRUG TASK FORCE

HOOPA – On Wednesday, Sept. 29 the Humboldt County Drug Task Force (HCDTF) with the assistance of the Humboldt County Sheriff's Office (HCSO) served three search warrants in Hoopa for drug related activity.

The information used to obtain these search warrants was from a combined proactive investigation between the Hoopa Valley Tribal Police Department (HVTPD), the HCSO, the HCDTF, and citizens from the Hoopa Valley.

The first search warrant was served in the 600 block of Shoemaker Road in Hoopa. HCDTF Agents had information that Dale Mabry, 20, was dealing "perc-30" fentanyl pills on the Hoopa Reservation. Mabry was detained at his residence without incident.

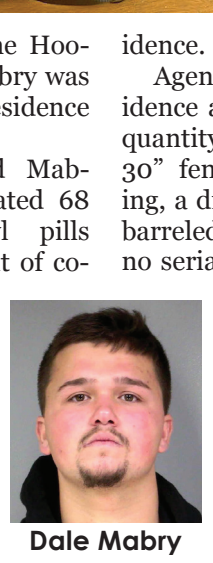

AJ's alleged arsenal. HCDTF PHOTO

Agents searched Mabry's room and located 68 "perc-30" fentanyl pills and a small amount of cocaine. Agents also located a digital scale, packaging, and $1,400 U.S. currency all in $20 bills. Mabry was arrested and booked at the Humboldt County Jail on a charge of possession of controlled substances for sale.

Nelson's relatively modest alleged provisions. HCDTF PHOTO

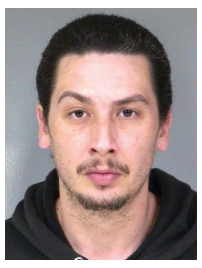

Dale Mabry

The second search warrant was served at a residence in the area of Highway 96 and Shoemaker Road in Hoopa. HCDTF agents had information that James "AJ" Jackson, 38, was dealing "perc-30" fentanyl pills as well as other controlled substances on the Hoopa Reservation. Jackson was detained without incident at the residence.

Agents searched the residence and located a small quantity of cocaine, a "perc-30" fentanyl pill, packaging, a digital scale, a short barreled assault rifle with no serial number, a silencer, three handguns, two pair of metal knuckles, and 15 high-capacity magazines.

Jackson was arrested and booked at the Humboldt County Jail for the following charges:

- Possession of controlled substances
- Possession of controlled substances while armed
- Possession of assault weapon
- Possession of a silencer
- Possession of a short barreled rifle

James "AJ" Jackson

The third search warrant was served at a residence on Pine Creek Road in Hoopa. Agents were serving the warrant on a 17 year old juvenile for suspected dealing of "perc-30" fentanyl pills.

While inside the residence agents located a loaded rifle and five grams of methamphetamine in the bedroom of the juvenile's guardian, Gregory Lynn Nelson, 63.

The alleged Mabry collection. HCDTF PHOTO

Nelson was not home when the warrant was served. Nelson is a convicted felon and is not allowed to possess firearms. The HCDTF and the HVTPD are attempting to locate Nelson for the following charges:

- Possession of controlled substance while armed
- Felon in possession of a firearm

The Humboldt County Drug Task Force thanks the HVTPD and HCSO for their assistance with this investigation.

Anyone with information related to this investigation or other narcotics related crimes are encouraged to call the Humboldt County Drug Task Force at (707) 267-9976.

A "ghost gun" plus meth and fentanyl. HCDTF PHOTO

Busy HCDTF seizes drugs, 'ghost gun' in Samoa

Kids turned over to grandma

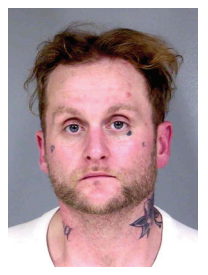

HUMBOLDT COUNTY DRUG TASK FORCE

HUMBOLDT – On Thursday, Sept. 30, agents with the Humboldt County Drug Task Force (HCDTF), with the assistance of the Humboldt County Sheriff's Office (HCSO), served a search warrant in the 100 block of Sunset Avenue in Samoa.

This search warrant was written for suspected methamphetamine sale and illegal firearm possession by Kenneth Colin Hooper, 32.

During the service of the search warrant agents detained Hooper without incident. Agents conducted a search of Hooper's residence and located the following evidence:

- 1/4 pound of methamphetamine
- Polymer 9mm handgun (ghost gun) with 34 round magazine
- Digital scale
- Packaging
- 1 gram fentanyl

Kenneth Colin Hooper

Some of the methamphetamine located was unpackaged and within reach of Hooper's young children. Hooper was arrested and transported to the Humboldt County Jail on the following charges:

- Possession of controlled substances while armed
- Possession of methamphetamine for sale
- Operating or maintaining a drug house
- Felon in possession of a firearm
- Child endangerment
- Possession of a controlled substance
- Illegal manufacturing of a firearm

Hooper's children were released to their grandmother and a report of this investigation will be forwarded to Child Welfare Services (CWS).

Anyone with information is encouraged to call the Humboldt County Drug Task Force at (707) 267-9976.

Leaning into negligence

On my monthly visit to one of my two remaining housecleaning clients (I'm 71), on my climb up from the bus stop on the very steep hill of Driver Road to Moonstone Heights, I observed that the dead and dieing alder trees that are being held up by PG&E power lines were leaning even more heavily on said lines than they were six months ago when I first reported them to PG&E.

The exclamation I received while speaking to their representative on the phone was, "Oh my God! Oh my God!" Nonetheless I can only report that not only has no remediation been made, either to the clearly sagging lines or to the pole halfway up the hill that is being held by a single cable, the other being completely separated, it is worse.

I made the mistaken assumption that possibly, since most residents drive rather

❖ LETTERS

than walk up this hill, that they had not observed the situation. Noticing that a neighbor was up and about, I attempted to alert them only to be informed that residents have been also complaining for months and are equally ignored.

I later called my insurance company for advice, thinking that no insurance company would want to shell out for potential fires that could surely be prevented, they might go to bat in favor of the residents. Not so I was informed.

What an amazing shame that PG&E hasn't, apparently, been dented by loss of lives and successful multimillion dollar lawsuits against them for just such negligence. Right up there with the idiots who publicly don't cover their noses with their COVID masks in enclosed spaces.

Sham audits a bad portent

The Maricopa County Arizona Election audit is finally over. An analysis and hand recount of 2.1 million ballots uncovered only trivial discrepancies: Trump lost approximately 260 votes and Biden gained around 100 more. However, these results will likely be questioned as the amateur auditors, Cyber Ninjas, followed non-standard procedures.

Meanwhile, Trump and his allies are still encouraging new audits in Pennsylvania and Wisconsin, both states which Biden won. And in Texas, after receiving a letter directly from Trump, Governor Abbott is moving forward with a plan to audit Texas's 4 largest counties; this in a state that Trump clearly won.

What factor motivates these audits? It's not to change results, but rather to maintain doubt in the integrity of U.S. elections now and in the future.

It shouldn't take much. A recently completed CNN poll shows that even today over three-fourths of GOP voters and 1/3 of Independents do not believe Biden won enough votes legitimately in 2020 to be president.

This past presidential election resulted in a January insurrection. I fear what might happen in 2024 after Trump and his allies have three more years to revisit supposedly rigged elections and promote the "Big Lie" that Trump won.

Sherman Schapiro
Eureka

Again, Baysiders plead for Old Arcata Road users to drive at safe speeds

❖ BAYSIDE CORNERS
Paul Nicholson

This week's column comes to you courtesy of Paul Nicholson, long-time Bayside resident and daily walker along Jacoby Creek Road. Paul has been increasingly concerned about dangerous speeding along the road, and has been working to do something about it. And, amazingly, local government has responded quickly and efficiently to his requests for help. Here is the story from Paul himself:

There is a dangerous problem along Jacoby Creek Road with speeding and unsafe passing, especially in the mile long straight stretch at the start of the road. The road is so straight because it was originally a railroad line built to log the area years ago.

There are many walkers, joggers and bicycle riders and there is no shoulder in many places. The posted speed limit is 35 mph, but many vehicles exceed this, often by a lot.

I contacted CHP and learned that the road was last surveyed around 2002. A current survey was requested so radar could be run.

I recently had some signs made "Drive 35 mph – Leave 10 seconds earlier" and 15 residents along the road agreed to have them placed on their property. This is a reminder to all drivers that speeding does not save much time! Approximately 30 residents called CHP to complain about the speeders.

I saw a car parked along Jacoby Creek Road on Wednesday, Sept. 29 at 11 a.m. so I stopped to ask if he was doing

a survey. He said yes and that there is definitely a problem on this road. I asked why the survey could not be done early morning or late afternoon when people are driving faster going to and from work, but was told that the survey had to be done mid-day and that 100 vehicles had to be recorded in each direction.

The survey was almost complete when I stopped by, an indication that there is quite a bit more traffic that one might guess for a rural road.

I walk this section of Jacoby Creek Road every day with my dog, and I've gotten pretty good at estimating vehicle speeds by watching the speed readouts on the monitor located about a quarter mile from the junction.

When the last vehicle he needed to record was coming towards the surveyor, I said "I can tell you how fast they are driving" and estimated 44 mph. He said, "You are right!"

So I know that people regularly drive 50 to 60 mph on this narrow rural road. I also know that the signs that were recently put along the roadway have slowed the traffic, but it probably won't last.

I have heard of two cats, one buck and the momma wild turkey that were all killed by vehicles recently. The momma wild turkey's three babies have survived and they now reside in the 2800-3000 blocks of Jacoby Creek Road. Please slow for them! And for the numerous pedestrians, joggers and bicycle riders, especially children going to and from school.

People have told me they were almost hit head-on pulling from their driveway when one vehicle was passing another. This is so dangerous and unnecessary.

To finalize the survey, rumble strips will be placed across the road to get a traffic count. There is discussion of placing 35 mph signs about halfway down Jacoby Creek Road to advise drivers about the speed limit. CHP may be running radar soon.

But, as the signs say, "Leave 10 seconds earlier" to keep our community safe. Or even 15 seconds, or a minute! Whatever the case, you really cannot make up time on this residential roadway.

Things are trending very badly for basic law enforcement

❖ HCSO
William F. Honsal

Good Afternoon Supervisor Madrone,

In response to the HDSO letter sent two weeks ago, I feel compelled to reach out to all the Board of Supervisors. I know how passionate you are when it comes to public safety issues in our county. Your support for law enforcement and the Sheriff's Office has been much appreciated over the years. That is why I feel it is important to update you on the current staffing situation at the Sheriff's Office and to request your immediate support to fix this problem.

Since June of 2020 the Sheriff's Office has had 21 deputy sheriffs, 18 correctional deputies, and three community services officers leave the department due to resignation, seeking employment elsewhere, or retirement.

I currently have deputies, corporals, lieutenants, and a captain who are actively applying for employment opportunities at other agencies. Presently, we have 18 deputy sheriff, 15 correctional deputy and three community services officer vacancies.

I currently have eight deputy Sheriff recruits in the Police Academy and am actively recruiting more; however, deputy recruits require 10 months training prior to being authorized to work solo as a deputy sheriff. Simply put, we can't hire enough people to keep up with the demand. The current failure rate of a deputy recruit is 50 percent.

Because of this crisis, we are actively doing everything possible to recruit community members to join our team and become a deputy sheriff. For the last several years we have been hiring civilians to send to the police academy. This program has seen some limited success; however, it is proving to be impossible to overcome our 20-deputy sheriff deficit by simply hiring deputy sheriff recruits. Because of this, I have implemented the following changes:

We have revamped our entire recruiting strategy to focus on lateral hires and deputy sheriff I candidates.

We have hired an outside marketing firm to advertise all around the state to target people that are interested in working for the Humboldt County Sheriff's Office.

We have put a Sergeant in charge of recruitment and a background team.

We have purchased a new background software to speed up the lengthy background process. Typically, the deputy hiring process takes three to four months to complete. This new software will cut that time in half.

We have established a recruiting team that is traveling the state actively recruiting at the academies. The recruiting team is also going to local events, engaging with community members to join our team.

We are offering a $12,000 hiring bonus to recruit lateral deputy sheriffs.

Despite all these changes, trying to get to full staffing continues to be an immense challenge.

Per the HDSO MOU, sheriff's deputies are supposed to be working a 10-hour patrol shift, as research shows that 8 to 10-hour patrol shifts are the healthiest shifts to work.

However, due to our staffing crisis, I have declared a staffing emergency and instituted a 12-hour patrol shift for deputies. This emergency scheduling has also forced me to cut back services throughout the organization.

The following assignments are NOT currently being filled due to inadequate staffing:

• 24-hour coverage / night patrol deputies assigned to the Willow Creek Station and Garberville Station

• Resident deputies in Orick, Orleans, and Bridgeville

• Rural Patrol Deputy North

• Rural Patrol Deputy South

• Special Services Deputy – Homeless Abatement - POP Deputy

• Off Highway Vehicle Deputy

• Livestock Deputy

• 1 Major Crimes Investigator

• 1 Property Crimes Detective

• 2 School Resource Deputies

• 1 Civil Services Deputy

• 1 Abandoned Vehicle Abatement Community Services Officer

• 2 Transportation Correctional Deputies (Used to transport HCSO arrestees from Outstations)

• 2 Mental Health Correctional Deputies.

• 1 SWAP Deputy

In addition to these above positions, I must reduce our patrol services to the contract cities of Trinidad and Blue Lake. In the coming contract negotiations, both Trinidad and Blue Lake will no longer have a full-time patrol deputy actively patrolling in these jurisdictions.

The Sheriff's Office will still patrol and respond to incidents in the contract cities when staffing allows, however, due to the lack of staffing we can no longer supply a dedicated patrol deputy to their cities.

The staffing emergency further complicates our efforts to address an alarming rise of crime in Humboldt County. Crime statistics show that violent crime has dramatically increased.

To compare the crime statistics from January through August 2019 to January-August 2021 we have seen the following increases:

• Homicide: + 600 percent

• Rape:+ 92 percent

• Burglary: + 8 percent

• Felony arrest: + 28 percent

• Felony reports: + 20 percent.

• Calls for service: + 5 percent

• Due to rising crime, we are experiencing an increased workload of calls coupled with a 20 percent staffing shortage. This has a direct and obvious effect on morale. When departing deputies were given the opportunity to provide an exit interview, most deputies claimed the reason why they were leaving the job was for higher pay, better benefits, and better working conditions.

Deputies are keenly aware of the pay increases that other Northern California jurisdictions have experienced in the past 2 years. Mendocino, Shasta and Lake County Sheriff's deputies have received 20 percent+ pay increases. The City of Arcata is giving a 17 percent increase and the City of Eureka is giving a 15 percent increase to their employees.

Recently, I learned we had eight deputy sheriffs apply for a single security guard position at the local PG&E Power Plant because PG&E pays $10 more an hour with much less stress and responsibility than a deputy sheriff position. There have always been discussions about how much deputies make in overtime.

I have been having deputies work overtime on nights, weekends, and holidays to ensure there are deputies to cover for emergency calls for service. If HCSO was fully staffed, the overtime budget could be dramatically reduced.

Two years ago, I brought a similar emergency staffing situation to the attention of your board. That issue had to do with emergency staffing for our Emergency Communications Center. At the time, we had lost several dispatch employees and there were only four out of the 10 dispatcher positions filled. Your board took immediate action to provide an emergency pay increase for the dispatchers, making them some of the top paid dispatchers in the county.

Since your board's actions, we have filled all of our dispatch positions, becoming fully staffed. I believe the pay increase had a direct effect on the recruitment and retention of these vital positions.

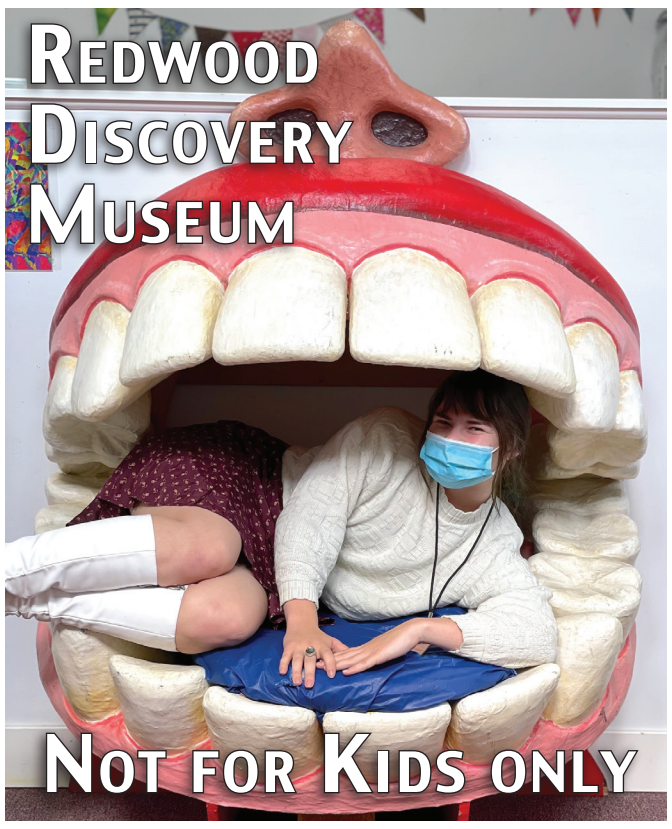

The Sheriff's Office has not been this understaffed since the passage of Measure Z. My appeal is that the county needs make their #1 priority the retention of the fully trained and quality deputy sheriffs that are working at the Sheriff's Office.

The county needs to put value where the community prioritizes the most, public safety. The Sheriff's Office cannot be proactive in providing professional law enforcement services if we are consistently 20 percent understaffed. I firmly believe if the county chooses to pay these deputies what they are worth, laterals will start applying with the Sheriff's Office.

I urge you to please take immediate action to increase the pay and benefits for our correctional deputies and deputy sheriffs. Without a qualified fully staffed Sheriff's Office, we will not be able to provide the level of service necessary to maintain safety here in Humboldt County.

As always, I am available any time to speak to you and to go over any further ideas you may have concerning this staffing crisis. Thank you for your time and I will update you on this issue in the coming months.

William F. Honsal, sheriff

MAJOR MOUTHAGE Redwood Discovery Museum Dropoff Program Director Meghan Mckinlay inside the giant mouth made by sculptor Ken Beidleman. The mouth had been part of a bigger exhibit that included a colon the kids could climb inside. Now, it's purpose is mostly aesthetic, though kids have fun climbing inside and brushing the teeth. Submitted photo

Redwood Discovery Museum

EUREKA – The Redwood Discovery Museum is excited to announce the first-ever Adult Night at the Museum!

Come let your inner child out to play! On Saturday, Oct. 16 from 7 to 9 p.m., the Discovery Museum will open its doors to adults only, with proof of ID. Cocktails, deserts, music, performers, raffles, and not to mention all our fun and interactive science exhibits will be available for a night of entertainment to support a good cause.

This fundraiser is to support the Discovery Museum's programs, exhibit maintenance, and general overhead as we emerge out of the pandemic. Having been closed from March of 2020 through August of 2021, this important nonprofit organization came much too close to permanently closing its doors after over 25 years in Humboldt.

Now, we are thrilled to be open to the public once more! However, we need your help to get back on our feet. This is why we are inviting all kids-at-heart and supporters of the Museum to enjoy a night of fun. Adults can play, too!

This event is for ages 21 and over. Due to the nature of the event, ID and proof of COVID-19 vaccination or positive antibody test will be required for entry. Masks must be worn at all times when not eating or drinking.

Admission cost is $25/person, $20 for members. Admission includes beverages, desserts and entertainment tickets.

Interested in sponsoring this fundraising event? Contributions of items for the raffle, beverages, deserts, or monetary donations are eagerly appreciated. Call the museum at (707) 443-9694, or email Stephanie at *director@discovery-museum.org*.

We hope to see you there!

EARTH SCIENCE WEEK AT NHM Celebrate Earth Science Week with the HSU Natural History Museum (NHM) through a live virtual after school program 4 p.m. to 5:15 p.m. daily Monday Oct. 11 through Friday Oct. 16 These 75 mins. sessions are geared towards children 8-12 years old. Topics include The Incredible Sun, Stars and Galaxies, Forces of Water, Remarkable Rocks, and Fossil Clues. The weekly program is $25 or $20 for NHM members and includes a student packet including copies of materials to use during the program and for independent activities at home. For more information or to enroll online go to *natmus.humboldt.edu*.

LATEST DINO-NEWS Join the HSU Natural History Museum for a free evening lecture, Questions to Ask Dinosaurs, presented by Elliott Dabill on Friday, Oct. 15 starting at 7 p.m. Elliott will share his enthusiasm about dinosaurs and some of the latest research regarding these amazing animals of the past, including the origin of birds. This lecture is part of Earth Science Week. For more information or to sign up visit *natmus.humboldt.edu*.

DINOSAUR LIFE AND TIMES Round out Earth Science Week with the HSU Natural History Museum (NHM) through a free live virtual program The Life and Times of Dinosaurs presented Saturday, Oct. 16 from 10 a.m. to noon for kids. This two hour program will share facts, pictures, videos, and games about dinosaurs! Prior enrollment is required. A virtual Earth Science after school program proceeds this free day. For more information or to enroll in either the free day or the full program please go to *natmus.humboldt.edu*.

TRINIDAD ART NIGHT Toni Magyar had the ultimate plein air show on September 25 during Trinidad Art Night. Magyar's paintings were displayed on the fence of Moonstone Crossing Winery's outdoor seating area for the opening. Her art will again be on display inside the tasting room through the end of December. Moonstone Crossing is located at 529 Trinity St. in Trinidad and is open Wednesday through Sunday from 1 to 6 p.m. (707) 845-5492 The last Trinidad Art Night of the season will be Saturday, Oct 30 from 6 to 9 p. m. *trinidadartnight.com*

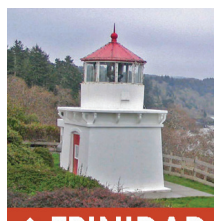

Janine Volkmar | Union

Lighthouse and bee hotel get loving care

Anticipating the commemoration of the 1871 Trinidad Head Lighthouse's 150th year as an aid to navigation on Dec. 4, 2021, California Coastal National Monument partner volunteers are working to polish and shine the lighthouse perched 175 feet above sea level on the southwest corner of Trinidad Head.

Trinidad Museum Vice President Scott Baker, who grew up in Trinidad, attended Trinidad School, worked at Modern Garage (where today's Chevron station is located) and at the pier as a teenager, has a reverence for the places, people and enterprises of the town, and always is a willing and able participant in preserving and protecting Trinidad's history.

He worked with Sally Renlund, a more recent enthusiastic community volunteer, and Bureau of Land Management Interpretive Specialist Leisyka Parrott to clean the lighthouse before last weekend's regular first Saturday open house and in recognition of Public Land's Day.

LIT UP Trinidad Museum Volunteers Sally Renlund and Scott Baker (top) and Bureau of Land Management-California Coastal National Monument Interpretive Specialist Leisyka Parrott (at door) clean and polish the Trinidad Head Lighthouse in anticipation of last Saturday's open house and Public Lands Day. Submitted photo

While working, the crew was thoroughly enchanted by flocks of pelicans flying overhead in the mist and the seals barking below.

Another work day is planned for Saturday, Oct. 30 from 9:30 a.m. to noon. Michelle Kunst of the Trinidad Coastal Land Trust is helping to organize volunteers. Email *michelle@trinidadcloastallandtrust.org* for details.

Interested in being a lighthouse docent? Find out more by calling (707) 677-3816 or email *baycity@sonic.net*.

Native Plant Garden volunteers

Since 2006, when the land around Trinidad Museum was barren and uncultivated, garden volunteers have nurtured native plants, built inviting pathways and a bee hotel, formed a vernal pond, and lovingly cared for the gardens, open to visitors for peaceful contemplation and appreciation every day.

The garden work crew meet regularly every Thursday morning at 10 a.m. Want to be part of the rewarding fun? Call Ingrid Bailey at (707) 677-3233 or email *ingridhaven@gmail.com*.

More praise for Trinidad's volunteers

Heartfelt thanks to the unheralded Trinidadians who regularly roam the beaches, streets, parks and woodlands and pick up trash thoughtlessly left behind. Mary Kline, Dorothy Cox, Sally Renlund, Peter Cohan and William Farrar are among them. Hats off to the "ivy league" invasive plant team, including Jim and Virginia Waters, who bash tree-killing ivy in the forests regularly.

Arts! Arcata a kaleidescope of fresh artwork

Arcata Main Street

ARCATA –Arts! Arcata takes place Friday, Oct. 8 from 4 to 7 p.m. Arts! Arcata is Arcata Main Street's monthly celebration of visual and performing arts, held at locations in Arcata.

- **Arcata Artisans Gallery, 883 H St.**: During October Arcata Artisans Gallery welcomes new work by featured artists Zachary Shea and Betsy Roberts.
- **Arcata Gallery, 1063 H St.:** New gallery grand opening featuring a diverse collection of artists in various media.
- **Café Brio, 791 G St.:** Photography by Serge Scherbatskoy
- **Eco Groovy Deals, 813 H St.**
- **Global Village Gallery, 973 H St.:** Amazonian visionary art from the Uska Ayar school of painting in Pucallpa Peru
- **Infuzions 863 H St.**: Artwork by Being Beaming inspired by deities and ancient spiritual imagery. The bulk of this collection features block prints by artist Merry Gnosis are block print created as reminders of the Divine within.

Sofie Sundberg leads team

Throughout the fall, McKinleyville's girls golf team has been led by one talent: Sofie Sundberg.

Continuing an already impressive season on Monday, Sept. 27, Sundberg won her fourth straight match at Baywood posting a score of 104 on 18 holes.

I was able to talk to her about her performance Monday, and she said, "I played the front nine well, but I definitely didn't play my best for the back nine... the weather also played a bigger role than it did in the other tournaments."

The next tournament for the girls is Thursday the 14th in Del Norte. Sofie said about her approach going into the next match, "I'm familiar with the Del Norte course, so I feel pretty confident."

So far into the season, Sofie Sundberg has wreaked havoc on every course in the county, and she hasn't shown signs of slowing down anytime soon.

Tormented and tantalized by local fruity goodness

Fall has returned! And with it, an absolute deluge in melons, tomatoes, huckleberries and apples. I am eating as hard and fast as I can but I can't keep up! That's a great thing about seasonal, local eating – you don't eat, say, tomatoes until they are gettable here, grown in Humboldt, by which point you are so starved for tomatoes you can hardly see straight, and then you gorge and glut and rut until your fingernails are red, and just when you will put a shotgun to the head of the next tomato that knocks on your door, they are gone for another 10 months and you have nothing but memories and about 20 cans of preserved tomatoes.

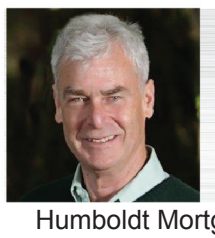

I am an enormous fan of melon juice, or agua fresca – I have a lot of watermelons, and some of them are past their prime and have that kind of woody, mealy flesh. I had been tossing them in the compost with a guilty conscience, until my little brother reminded me that you can toss deseeded chunks in a blender, add about half as much water and a squirt of whatever citrus you have going – lemon, lime, orange - blend, and strain. Absolutely delicious. Over ice it is truly nectar of the gods.

My brother has also turned me on to the Stove Top Steam Juicer, which makes juice that can be easily jellied out of UNCLEANED berries. That means that one can pick huckleberries like the bear, i.e., stem, leaves, small sticks and all, after the quickest of go-overs to take out the biggest bits, you can juice the lot! No more picking out each leaf and stem. Any huckleberry fan, or indeed berry fan, knows that the meticulous cleaning process is the most tedious part of making jam. True, the Steam Juicer only makes jelly – sort of like a Fruit Distiller – but I think the loss of fiber is worth the saving of multiple hours.

Jada's Unclean Plum Juice

10 lbs any kind of plums
1 cup sugar (optional).

No need to cut or pit! Place ingredients in steamer basket of Juice Steamer. Put water below, as directed by your Juicer's manual. Steam until plums look dry, an hour plus. Drain juice into sterilized bottles or jars and cap or lid. You can drink it, or easily jam it with pectin.

It's official: Sue-Meg State Park

California State Park and Recreation Commission

SACRAMENTO – At a virtual public meeting last week, the California State Park and Recreation Commission voted to rename a state park to honor the place name used by the Yurok people since time immemorial.

The commission voted unanimously to rename Patrick's Point State Park to Sue-meg State Park. The action is one example of how California State Parks is reviewing contested place names, monuments and interpretation across the State Park System as part of the Reexamining Our Past Initiative. This is a larger project within California state government to identify and redress discriminatory names of features attached to the state parks and transportation systems.

"California State Parks applauds the California State Park and Recreation Commission's approval to rename Patrick's Point State Park to Sue-meg ("Sue-meh") State Park," said California State Parks Director Armando Quintero. "This is the first park name change as part of the state's Reexamining Our Past Initiative and is a momentous step to heal relationships with Native Americans and working together in recognition and honor of indigenous cultural and linguistic relationships."

"Our journey toward a California for All continues with this historic action today by the State Park and Recreation Commission," California Secretary for Natural Resources Secretary Wade Crowfoot said. "We are thankful to the Yurok community for its leadership and to Governor Gavin Newsom and California State Parks for their vision."

SECRETIVE SHOREBIRDS Redwood Region Audubon Society invites you to an online presentation on Friday, Oct 8 from 7 to 8 p.m. titled "Uncovering the Hidden World of a Secretive Seabird" with Jennifer Bailey Guerrero. The Marbled Murrelet is an endangered seabird that nests in old-growth, coastal forests from central California to Alaska, up to 50 miles inland. This seabird species has long challenged both scientists and land managers alike with its unique life history and secretive nature. With little known information about murrelet nesting in Oregon, public and private forest managers struggle with how to address the conservation of this species. Since 2017, Oregon State University scientists have been tracking this elusive species on its long journey from the ocean to the coastal forests, collecting data that will help to inform future policy on land management.
Visit *rras.org* to obtain the Zoom presentation link.

AUDUBON MARSH TRIP Join Redwood Region Audubon Society for a free guided field trip at the Arcata Marsh and Wildlife Sanctuary on Saturday, Oct. 9 from 8:30 to 11 a.m. Meet leader Jude Power at the end of South I Street (Klopp Lake) in Arcata. Fall is here, which means ducks! Bring your binoculars and have a great morning birding. Please visit www.rras.org for COVID-19 participation guidelines. Let us know you plan to attend by text/messaging Ralph Bucher at (707) 499-1247, or email *thebook@reninet.com* with the walk date and name, email and phone number for each participant.

FOAM MARSH TOUR Friends of the Arcata Marsh (FOAM) is sponsoring a free tour of the Arcata Marsh & Wildlife Sanctuary on Saturday, Oct.9. Meet leader Paul Johnson at 2 p.m. in front of the Interpretive Center on South G Street for a 90-minute walk focusing on plants, Marsh ecology, and "tiny creatures that are often overlooked." Bring a mask to comply with current COVID rules. (707) 826 -2359.

AUDUBON HBNWR TOUR Redwood Region Audubon Society will offer a free guided birding tour at Humboldt Bay National Wildlife Refuge on Sunday, Oct. 10 from 9 to 11 a.m., with leader Ralph Bucher. This is a wonderful, two- to three- hour trip for people wanting to learn the birds of the Humboldt Bay area. It takes a leisurely pace with an emphasis on enjoying the birds! Beginners are more than welcome. Please visit www.rras.org for COVID-19 participation guidelines. Let us know you plan to attend by text/messaging Ralph Bucher at (707) 499-1247, or email *thebook@reninet.com* with the walk date and name, email and phone number for each participant.

AUDUBON KAYAK VIEWING Join Redwood Region Audubon Society in partnership with Kayak Trinidad *(kayaktrinidad.com)* for an exciting morning viewing local seabirds from a kayak. On Sunday, Oct. 10 from 9 a.m. to noon, we ply the waters of Trinidad Bay with professional guides seeking out Marbled Murrelets, Pigeon Guillemots, Common Murres, Black Oystercatchers and more. All kayaks and gear are provided. Space is limited and reservations are required. Costs for this trip are $99/person to cover equipment and professional kayak guides. Contact Andrew Orahoske *(andrew.rras@gmail.com)* to reserve a spot on this seabirding adventure.

NOTICE TO CONTRACTORS FOR THE 2021 ANNUAL SIDEWALK IMPROVEMENTS PROJECT
ENGINEER'S ESTIMATE $135,000.00

The City of Arcata is soliciting bids for WORK consisting of furnishing all labor, materials, equipment, incidentals and performing all work required for the improvements at various locations in the City of Arcata. The project includes, but is not limited to: removal and replacement of concrete sidewalk, accessible ramp construction, drainage improvements, concrete endwall construction, curb and gutter construction, asphalt concrete restoration, and installation of truncated domes.

A mandatory pre-bid meeting is scheduled for Thursday, October 14th, 2021 at 11:00 a.m. The meeting will begin outside Arcata City Hall (736 "F" Street, Arcata, CA 95521) in the rear parking area near the library, and may be followed by a project site walk-through.

Sealed bids will be received by the City Manager's Office, 736 F Street, Arcata, CA 95521, until the hour of **11:00 a.m. on Thursday, October 28th, 2021,** at which time they will be transferred to the City Council Chambers where they will be publicly opened and read aloud by the City Engineer or his designated representative. Said bids will be referred to the Arcata City Council for consideration at their next regularly scheduled meeting on or after **November 3rd, 2021.**

CONTRACTOR shall possess a Class "A" license at the time this contract is bid or a combination of classes required by the categories and type of work included in this contract. All bidders shall be licensed in accordance with the laws of the State of California.

PLANS, SPECIFICATIONS, AND PROPOSAL forms for bidding this project will be available:
• For download from the City Website www.cityofarcata.org under "Bid on a Project".
• For purchase at City Manager's Office, 736 "F" Street, Arcata, CA 95521. A printing charge of $40.00 shall not be refundable, plus a shipping and handling fee of $35.00 for mailing of PLANS and SPECIFICATIONS. Checks payable to the City of Arcata and shall be mailed or delivered in person to the Contracts and Special Projects Manager.
• For viewing at the City Manager's Office, 736 "F" Street, Arcata, CA 95521 and at the Humboldt Builder's Exchange, 1213 5th Street, Eureka, CA 95501.

This CONTRACT is subject to State contract non-discrimination and compliance requirements pursuant to Government Code, Section 12990.

The City of Arcata hereby notifies all bidders that it will affirmatively insure that any contract entered into pursuant to this advertisement, disadvantaged business enterprises will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, sex, or national origin in consideration for an award.

The above project is subject to compliance monitoring and enforcement by the Department of Industrial Relations. Each contractor or subcontractor listed on the bid proposal must be registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5.

Pursuant to Section 1733 of the Labor Code, the Director of California Department of Industrial Relations has determined the general prevailing rate of wages. Bidders should contact the Department of Industrial Relations at (415) 703-4281 for General Prevailing Wage Rates on specific job classifications. Future effective wage rates, which have been predetermined, are on file with the California Department of Industrial Relations. Bidders are advised that if they intend to use a craft or classification not on file in the general wage determinations, they may be required to pay the wage rate of that craft of classification most closely related to it as shown in the general determinations.

The above project is subject to uniform construction cost accounting procedures as set forth in the California Public Contracts Code, Section 22000 et seq., the Uniform Public Construction Cost Accounting Act.

Pursuant to California Public Contracts Code Section 22300, CONTRACTOR may substitute securities in place of any funds retained by the City for WORK performed on this project.

The City of Arcata reserves the right to reject any and all bids.

Direct inquiries regarding this solicitation to:
Danielle Allred,
Contracts & Special Projects Manager

NOTICE OF PETITION TO ADMINISTER ESTATE OF YVETTE KIFER, AKA YVETTE CREEK-KIFER, AKA YVETTE SABA CREEK
CASE NO.: PR2100264

To all heirs, beneficiaries, creditors, contingent creditors, and persons who may otherwise be interested in the will or estate, or both, of:
YVETTE KIFER, AKA YVETTE CREEK-KIFER, AKA YVETTE SABA CREEK.

Petition for Probate has been filed by: **MICHEL CREEK** in the Superior Court of California, County of HUMBOLDT.

The Petition for Probate requests that: **MICHEL CREEK** be appointed as personal representative to administer the estate of the decedent.

The petition requests authority to administer the estate under the Independent Administration of Estates Act. (This authority will allow the personal representative to take any actions without obtaining court approval. Before taking certain very important actions, however, the personal representative will be required to give notice to interested persons unless they have waived notice or consented to the proposed action.) The independent administration authority will be granted unless an interested person files an objection to the petition and shows good cause why the court should not grant the authority.

A hearing on the petition will be held in this court as follows:
Date: OCTOBER 21, 2021
Time: 1:31 PM
Dept.: 6
Address of court: Superior Court of California, County of Humboldt, 825 Fifth Street, Eureka, CA, 95501.

If you object to the granting of the petition, you should appear at the hearing and state your objections or file written objections with the court before the hearing. Your appearance may be in person or by your attorney.

If you are a creditor or a contingent creditor of the decedent, you must file your claim with the court and mail a copy to the personal representative appointed by the court within the later of either (1) **four months** from the date of first issuance of letters to a general personal representative, as defined in section 58(b) of the California Probate Code, or (2) **60 days** from the date of mailing or personal delivery to you of a notice under section 9052 of the California Probate Code. **Other California statutes and legal authority may affect your rights as a creditor. You may want to consult with an attorney knowledgeable in California law.**

You may examine the file kept by the court. If you are a person interested in the estate, you may file with the court a formal Request for Special Notice (form DE-154) of the filing of an inventory and appraisal of estate assets or of any petition or account as provided in Probate Code section 1250. A Request for Special Notice form is available from the court clerk.

NOTICE OF PETITION TO ADMINISTER ESTATE OF DONALD ALBERT LUCAS
CASE NO.: PR2100267

To all heirs, beneficiaries, creditors, contingent creditors, and persons who may otherwise be interested in the will or estate, or both, of: **DONALD ALBERT LUCAS.**

Petition for Probate has been filed by: **CHRISTINE NIX AND CAROL PEASE** in the Superior Court of California, County of HUMBOLDT.

The Petition for Probate requests that: **CHRISTINE NIX AND CAROL PEASE** be appointed as personal representative to administer the estate of the decedent.

The petition requests authority to administer the estate under the Independent Administration of Estates Act. (This authority will allow the personal representative to take any actions without obtaining court approval. Before taking certain very important actions, however, the personal representative will be required to give notice to interested persons unless they have waived notice or consented to the proposed action.) The independent administration authority will be granted unless an interested person files an objection to the petition and shows good cause why the court should not grant the authority.

A hearing on the petition will be held in this court as follows:
Date: OCTOBER 21, 2021
Time: 1:31 PM
Dept.: 6
Address of court: Superior Court of California, County of Humboldt, 825 Fifth Street, Eureka, CA, 95501.

If you object to the granting of the petition, you should appear at the hearing and state your objections or file written objections with the court before the hearing. Your appearance may be in person or by your attorney.

If you are a creditor or a contingent creditor of the decedent, you must file your claim with the court and mail a copy to the personal representative appointed by the court within the later of either (1) **four months** from the date of first issuance of letters to a general personal representative, as defined in section 58(b) of the California Probate Code, or (2) **60 days** from the date of mailing or personal delivery to you of a notice under section 9052 of the California Probate Code. **Other California statutes and legal authority may affect your rights as a creditor. You may want to consult with an attorney knowledgeable in California law.**

You may examine the file kept by the court. If you are a person interested in the estate, you may file with the court a formal Request for Special Notice (form DE-154) of the filing of an inventory and appraisal of estate assets or of any petition or account as provided in Probate Code section 1250. NOTICE OF PETITION TO ADMINISTER ESTATE OF DONALD C. BAUER, aka DONALD CLARE BAUER
CASE NO.: PR2100250

To all heirs, beneficiaries, creditors, contingent creditors, and persons who may otherwise be interested in the will or estate, or both, of:
DONALD C. BAUER, aka DONALD CLARE BAUER

A Petition for Probate has been filed by TALYA BAUER in the Superior Court of California, County of HUMBOLDT.

The Petition for Probate requests that: TALYA BAUER be appointed as personal representative to administer the estate of the decedent.

The petition requests the decedents will and codicils, if any, be admitted to probate. The will and any codicils are available for examination in the file kept by the court.

The petition requests authority to administer the estate under the Independent Administration of Estates Act. (This authority will allow the personal representative to take any actions without obtaining court approval. Before taking certain very important actions, however, the personal representative will be required to give notice to interested persons unless they have waived notice or consented to the proposed action.) The independent administration authority will be granted unless an interested person files an objection to the petition and shows good cause why the court should not grant the authority.

A hearing on the petition will be held in this court as follows:
Date: OCT. 14, 2021
Time: 1:31 PM
Dept.: 6
Address of court: Superior Court of California, County of Humboldt, 825 Fifth Street, Eureka, CA, 95501.

COURT MAY BE CLOSED TO THE PUBLIC DUE TO THE COVID-19 PANDEMIC. PLEASE VISIT https://www.humboldt.courts.ca.gov FOR INFORMATION ON HOW TO PARTICIPATE IN AN ONLINE VIDEO HEARING.

If you object to the granting of the petition, you should appear at the hearing and state your objections or file written objections with the court before the hearing. Your appearance may be in person or by your attorney.

If you are a creditor or a contingent creditor of the decedent, you must file your claim with the court and mail a copy to the personal representative appointed by the court within the later of either (1) **four months** from the date of first issuance of letters to a general personal representative, as defined in section 58(b) of the California Probate Code, or (2) **60 days** from the date of mailing or personal delivery to you of a notice under section 9052 of the California Probate Code. **Other California statutes and legal authority may affect your rights as a creditor. You may want to consult with an attorney knowledgeable in California law.**

You may examine the file kept by the court. If you are a person interested in the estate, you may file with the court a formal Request for Special Notice (form DE-154) of the filing of an inventory and appraisal of estate assets or of any petition or account as provided in Probate Code section 1250. A Request for Special Notice form is available from the court clerk.

Forest Management Committee vacancy

CITY OF ARCATA

ARCATA – The City of Arcata is currently seeking applicants for an open vacancy on the Forest Management Committee.

The Forest Management Committee advises the Arcata City Council and City Commissioners on topics relating to forestry practices on City-owned forest land and makes recommendations on City forest policy including making potential amendments to the City's Forest Management Plan. Committee members also review the City's timber harvest plans before they are filed with the California Department of Forestry.

Applicants must live within Arcata city limits or live or work within the Arcata Planning Area to be considered for a volunteer seat on the Forest Management Committee, and community members with interest, knowledge or experience in sustainable forestry, botany, forest ecology, wildlife, fisheries, geology or recreation are encouraged to apply.

In order to slow the spread of COVID-19, some committee meetings are currently being held via Zoom and others will be held in-person, and the Forest Management Committee meets the fourth Wednesday of each month at 7 a.m.

Committee applications may be emailed to *bdory@cityofarcata.org* or faxed to (707) 822-8018. Applications may also be dropped off in person in the City Manager's Office at Arcata City Hall, located at 736 F Street, between 9 a.m. and 5 p.m. Monday through Friday.

Face coverings are required for all individuals when entering City Hall, regardless of vaccination status. Applications can also be dropped off in a sealed envelope labeled "City Manager's Office," at the City Hall water bill drop boxes, located in the City Hall parking lot off of 7th Street and in front of the USPS mailbox outside of City Hall. *cityofarcata.org*, (707) 822-5953.

NRLT's 2021 Boots & Birkenstocks benefit is online through Saturday

NRLT

HUMBOLDT – Do you love the special landscapes of Northwestern California? The Northcoast Regional Land Trust (NRLT) is hosting their annual celebration to celebrate the conservation of the wild and working lands that make this home.

Fondly referred to as Boots and Birkenstocks, the week-long virtual event offers a new mini-documentary film and a fabulous online auction, and is a celebration of all who support the Land Trust's work throughout the year.

The online auction opened Sunday, Oct. 3 and will be open until 9 p.m. on Saturday, Oct. 9. Register at*ncrlt.org/AC2021* and bid early and often.

The new mini-documentary film features the Hunter Ranch, the Northcoast Regional Land Trust's largest conservation easement property. Starting Sunday, Oct. 3, you can view the film and meet the people who work the land, hear from those who are doing oak woodland restoration on the ranch, and see some spectacular scenery.

WILD AND WORKING Pilot Rock on Hunter Ranch. SUBMITTED PHOTO

Boots and Birkenstocks is known for offering auction items with unique experiences on the land and ties to local producers and this year is no different. Items include exclusive trips to private ranches in our region, farm fresh food, vacation stays, local art, wine and much more!

Proceeds from this event support the conservation of the grazing lands, forests, and watersheds of our region, as well as provide opportunities for people of all ages to get out on the land at NRLT's ambassador property Freshwater Farms Reserve.

The Northcoast Regional Land Trust's Annual Celebration is generously sponsored by Humboldt Mendocino Redwood Company, American AgCredit, Points West Surveying, Pierson Building Center, Hubbard's German Auto, Harber's Insurance Agency, Baldwin, Blomstrom, Wilkinson & Associates, Inc., the North Coast Co-op, REMAX/ Humboldt Realty, Alexandre Family Farm, Hunter, Hunter, and Hunt, Stillwater Sciences, Planwest Partners, Ramone's Bakery and Café, and Umpqua Bank.

To learn more, visit*ncrlt.org/AC2021* or call (707) 822-2242.
